Transcription Training

thank you I'm honored to be with you today for your commencement from one of the finest universities in the world hmmm truth be told i never graduated from college and this is the closest I've ever gotten to a college graduation today i want to tell you three stories from my life that's it no big deal just three stories the first story is about connecting the dots i dropped out of Reed college after the first six months but then stayed around as a drop in for another eighteen months or so before i really quit so why'd I dropout it started before i was born my biological mother was a young unwed graduate student and she decided to put me up for adoption she felt very strongly that i should be adopted by college graduates so everything was all set for me to be adopted at birth by a lawyer and his wife except that when i popped out they decided at the last minute that they only wanted a girl so my parents were on a waiting list got a call in the middle of expected baby boy you wanted they said my later that my mother had never graduated from ever graduated from high school she refused to sign only relented a few months later when my parents

Ignore Accept

for me to be adopted at birth by a lawyer and his wife |
